

# TERMS AND CONDITIONS

iSPY does not ask nor collect any personal information. The app requires access to your location to provide nearby venues and directions to the venue. iSPY uses Google Analytics to collect anonymised usage data for general information about how people use the app. All this information cannot identify personally any individual.

We respect and value your privacy, we are parents ourselves, and we hold your privacy and the privacy of your child in the highest regard.

We hope you enjoy iSPY!
